A vibrant children's bedroom with teal walls. A large window on the left shows a view of trees. A bed with a grey base and orange bedding is the central feature. The headboard is white with a colorful space-themed pattern of planets, rockets, and stars. A large grey number '4' is mounted on the wall above the bed. To the left of the bed, a white cat figurine sits on a white ledge. To the right, a grey nightstand with a space-themed drawer pull is visible. A small rug with a space theme lies on the floor. On the wall to the right, a chalkboard displays a schedule. A framed quote 'DO MORE OF WHAT MAKES YOU HAPPY.' is on the wall to the left. A white, cloud-like light fixture hangs from the ceiling. The floor is made of light-colored wood.
